## INTRODUCCIÓN

Desde sus inicios, la relación entre el cine y la música ha sido fundamental y profundamente significativa. Desde finales del siglo XIX, cuando el cine emergió como una forma de arte innovadora y poderosa, se reconoció rápidamente el impacto de la música en las emociones y en la narrativa visual. Con la introducción del cine sonoro, la música se consolidó como un componente esencial en las películas, ayudando a crear atmósferas, intensificar sentimientos y añadir profundidad a las historias.

El proceso de adaptarme a este mundo de la composición ha sido tanto estimulante como desafiante, especialmente cuando se trabaja en colaboración. En los dos cortometrajes en los que participé, pude aplicar los conocimientos y experiencias adquiridas a lo largo de mi formación.

En esta ocasión, resalto la importancia de la colaboración y comprensión mutua entre director y compositor. Unir esfuerzos, entender los objetivos y tejer ideas en común representó una experiencia cercana y profesional que contribuyó enormemente a mi desarrollo.

## CONCLUSIONES

Colaborar en estos proyectos musicales cinematográficos ha marcado un hito significativo en mi transición hacia un universo donde la música y el cine se fusionan de manera intensa y transformadora. Durante este recorrido, he tenido la oportunidad de poner en práctica todo lo aprendido a lo largo de estos años de formación, integrando elementos emocionales y narrativos que enriquecen la visión del director y complementan la historia visual.

Para mí, la composición se ha convertido en una extensión personal: es un medio para compartir mi esencia, mis conocimientos y la experiencia que voy acumulando, mientras sigo explorando y descubriendo nuevos horizontes.

Es fundamental resaltar la importancia de la relación de colaboración entre el compositor y el director, en la cual la empatía, la comunicación y la convergencia de ideas han sido esenciales para lograr un resultado satisfactorio. Estos proyectos no solo representan un avance profesional, sino también un paso crucial en mi crecimiento como creador y artista.
